

**BC DAY ON GRANVILLE ISLAND**

**Granville Island is “taking it to the streets” with our first ever “Art on the Street Festival”.** What better way to celebrate 150 years of our British Columbia heritage than to have a festival in one of B.C.’s most vibrant and creative communities. Granville Island is known as a cultural Mecca and we invite our neighbors and visitors from around the world to come and enjoy the diversity that is Granville Island with our Best of B.C. program packed with a variety of FREE fun filled activities for the whole family—every generation. The Art on the Street Festival was created to showcase everything B.C. from the art of making sake to the art of sculpture. It is designed and dedicated to those that create and those that appreciate art in all its various forms. Come meet and talk with the artists as they work on the streets of Granville Island. Whether you love glass, jewelry, leather, printmaking, painting, photography, sculpture, wood, ceramics or fiber, you are destined to find art to fall in love with. There are FREE hands on activities for the kids such as our Enormous Jigsaw Pictures, BC’s Biggest Birthday Card, Chalk Art, aboriginal dancers, multicultural events, street performers, a craft fair and food vendors to tempt all yours senses. On August 4th, come to B.C.’s Birthday Party on Granville Island. We will host an incredible day long celebration of all things B.C. from 9:00am-5:00pm. Save the date!
